Funding

It is for schools and headteachers to decide how the Primary Physical Education and Sport Pupil Premium is spent since they are best placed to decide how best to use the funding to meet their pupil's needs [source DfE website].

The Primary Physical Education and Sport Premium is a sum of money in the school's budget to enhance the school's provision of PE and sport.

The school has received some initial funding this academic year and it is anticipated that additional funds will be received later in the year.
