

## **PUPIL PREMIUM 2020-2022**

### **What is Pupil Premium?**

The Pupil Premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils of all abilities and to close the gaps between them and their peers.

It is for schools and Headteacher's to decide how the Pupil Premium, allocated to schools per Free School Meal pupil, is spent as they are best placed to assess what additional provision should be made for the individual pupils within their responsibility [source DfE website].

The Pupil Premium is a sum of money in the school's budget based on the number of children who are either looked after by the Local Authority, who are known to be eligible for free school meals either now or in the past six years or who have a parents in the armed force.

Pupil Premium helps the school provide targeted support for disadvantaged children. The intended effect of this funding is to accelerate progress and raise attainment. The needs of the children eligible for Pupil Premium funding vary considerably and so the funding is used in a variety of ways and allocated following a needs analysis. We therefore use Pupil Premium funding to accelerate progress to reduce attainment gaps and to build confidence and self-esteem.

At Rushcombe First School, we aim to ensure that teaching and learning opportunities meet the needs of all our pupils. Rushcombe First School allocates Pupil Premium using a needs analysis to provide support for these children who are likely to make less than expected progress.

### **Pupil Premium received**

<b>Financial Year</b>	<b>Pupil Premium Funding - £</b>
2014 – 2015	6,400
2015 – 2016	11,320

- uniform, PE kit and reading bags to individual pupils
- additional support to identify and address the learning needs and progress of those who require "catch up" following national school closures
- detailed assessments of the needs of specific children
- support and training for staff including the Neli Language programme, Learn to Move programme and SENCO training

### **What has been the impact of the Pupil Premium funding overall?**

Pupil Premium has contributed to:

- positive end of Key Stage and key assessment results
- pupil progress
- improved pupil confidence and self esteem
- increased engagement in learning
- increased extracurricular opportunities for pupils
- increased support and guidance for families.

At Rushcombe First School, we believe that this progress is due to:

- our high aspirations
- our focus on highly quality teaching throughout the school,
- our focus on reading skills
- our rigorous tracking of pupil progress
- our engaging learning adventures
- our targeted support, and
- our whole school approach and leadership

To ensure our Pupil Premium children are not easily identifiable, some of the more detailed aspects of Pupil Premium information are not published on the website.
